Rommel Ma. S. Santiago graduated from the Polytechnic University of the Philippines with a degree in Bachelor's in Computer Data Processing Management.

At present, Mr. Santiago is the president of Sanbros Generics and Trading, Inc. and oversees the entire property management portfolio. He ensures that building operations are fiscally sound, that financial performance goals are met, and the properties are well managed and magnified. He works collaboratively with the Vice President for Portfolio Management to prepare the annual operating and capital improvements.

Mr. Santiago was a consultant of Eastland Printink, Inc. overseeing the procurement of printed security documents. As consultant, he reviews various operational processes, and recommended I.T. printing solutions. He also positioned the company strategically by espousing tried and tested I.T. printing technologies.

He was also the President of RS Group Corporation, a one-stop-shop solution for Federal Express (FedEx) & Corporate Information Solutions, Inc. (Bayad Center) that established the drop-off and over-the-counter payment centers or sites. He also acted as Chief Executive Officer overseeing the general flow of operations and ensuring that Net Services Levels (NSL) are met. As head, Mr. Santiago regularly meets with offices and staff to assess the direction of the company.
