BIDDING DOCUMENTS

PROJECT ID: CIAC-SBAC-INFRA-P03-2024

Improvement of Site, Roads, Parks, and Open Spaces

**CLARK INTERNATIONAL AIRPORT CORPORATION
CLARK FREEPORT ZONE, PAMPANGA
OCTOBER 2024**

Preface

These Philippine Bidding Documents (PBDs) for the procurement of Infrastructure Projects (hereinafter referred to also as the "Works") through Competitive Bidding have been prepared by the Government of the Philippines for use by all branches, agencies, departments, bureaus, offices, or instrumentalities of the government, including government-owned and/or -controlled corporations, government financial institutions, state universities and colleges, local government units, and autonomous regional government. The procedures and practices presented in this document have been developed through broad experience, and are for mandatory use in projects that are financed in whole or in part by the Government of the Philippines or any foreign government/foreign or international financing institution in accordance with the provisions of the 2016 revised Implementing Rules and Regulations (IRR) of Republic Act (RA) No. 9184.

The PBDs are intended as a model for admeasurements (unit prices or unit rates in a bill of quantities) types of contract, which are the most common in Works contracting.

The Bidding Documents shall clearly and adequately define, among others: (i) the objectives, scope, and expected outputs and/or results of the proposed contract; (ii) the eligibility requirements of Bidders; (iii) the expected contract duration; and (iv) the obligations, duties, and/or functions of the winning Bidder.

Care should be taken to check the relevance of the provisions of the PBDs against the requirements of the specific Works to be procured. If duplication of a subject is inevitable in other sections of the document prepared by the Procuring Entity, care must be exercised to avoid contradictions between clauses dealing with the same matter.

Moreover, each section is prepared with notes intended only as information for the Procuring Entity or the person drafting the Bidding Documents. They shall not be included in the final documents. The following general directions should be observed when using the documents:

- a. All the documents listed in the Table of Contents are normally required for the procurement of Infrastructure Projects. However, they should be adapted as necessary to the circumstances of the particular Project.
- b. Specific details, such as the "*name of the Procuring Entity*" and "*address for bid submission*," should be furnished in the Instructions to Bidders, Bid Data Sheet, and Special Conditions of Contract. The final documents should contain neither blank spaces nor options.
- c. This Preface and the footnotes or notes in italics included in the Invitation to Bid, BDS, General Conditions of Contract, Special Conditions of Contract, Specifications, Drawings, and Bill of Quantities

are not part of the text of the final document, although they contain instructions that the Procuring Entity should strictly follow.

- d. The cover should be modified as required to identify the Bidding Documents as to the names of the Project, Contract, and Procuring Entity, in addition to date of issue.
- e. Modifications for specific Procurement Project details should be provided in the Special Conditions of Contract as amendments to the Conditions of Contract. For easy completion, whenever reference has to be made to specific clauses in the Bid Data Sheet or Special Conditions of Contract, these terms shall be printed in bold typeface on Sections I (Instructions to Bidders) and III (General Conditions of Contract), respectively.
- f. For guidelines on the use of Bidding Forms and the procurement of Foreign-Assisted Projects, these will be covered by a separate issuance of the Government Procurement Policy Board.

Glossary of Terms, Abbreviations, and Acronyms

ABC – Approved Budget for the Contract.

ARCC – Allowable Range of Contract Cost.

SBAC – Special Bids and Awards Committee.

Bid – A signed offer or proposal to undertake a contract submitted by a bidder in response to and in consonance with the requirements of the bidding documents. Also referred to as *Proposal* and *Tender*. (2016 revised IRR, Section 5[c])

Bidder – Refers to a contractor, manufacturer, supplier, distributor and/or consultant who submits a bid in response to the requirements of the Bidding Documents. (2016 revised IRR, Section 5[d])

Bidding Documents – The documents issued by the Procuring Entity as the bases for bids, furnishing all information necessary for a prospective bidder to prepare a bid for the Goods, Infrastructure Projects, and/or Consulting Services required by the Procuring Entity. (2016 revised IRR, Section 5[e])

BIR – Bureau of Internal Revenue.

BSP – Bangko Sentral ng Pilipinas.

CDA – Cooperative Development Authority.

Consulting Services – Refer to services for Infrastructure Projects and other types of projects or activities of the GOP requiring adequate external technical and professional expertise that are beyond the capability and/or capacity of the GOP to undertake such as, but not limited to: (i) advisory and review services; (ii) pre-investment or feasibility studies; (iii) design; (iv) construction supervision; (v) management and related services; and (vi) other technical services or special studies. (2016 revised IRR, Section 5[i])

Contract – Refers to the agreement entered into between the Procuring Entity and the Supplier or Manufacturer or Distributor or Service Provider for procurement of Goods and Services; Contractor for Procurement of Infrastructure Projects; or Consultant or Consulting Firm for Procurement of Consulting Services; as the case may be, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

Contractor – is a natural or juridical entity whose proposal was accepted by the Procuring Entity and to whom the Contract to execute the Work was awarded. Contractor as used in these Bidding Documents may likewise refer to a supplier, distributor, manufacturer, or consultant.

CPI – Consumer Price Index.

DOLE – Department of Labor and Employment.

DTI – Department of Trade and Industry.

Foreign-funded Procurement or Foreign-Assisted Project – Refers to procurement whose funding source is from a foreign government, foreign or international financing institution as specified in the Treaty or International or Executive Agreement. (2016 revised IRR, Section 5[b]).

GFI – Government Financial Institution.

GOCC – Government-owned and/or –controlled corporation.

Goods – Refer to all items, supplies, materials and general support services, except Consulting Services and Infrastructure Projects, which may be needed in the transaction of public businesses or in the pursuit of any government undertaking, project or activity, whether in the nature of equipment, furniture, stationery, materials for construction, or personal property of any kind, including non-personal or contractual services such as the repair and maintenance of equipment and furniture, as well as trucking, hauling, janitorial, security, and related or analogous services, as well as procurement of materials and supplies provided by the Procuring Entity for such services. The term “related” or “analogous services” shall include, but is not limited to, lease or purchase of office space, media advertisements, health maintenance services, and other services essential to the operation of the Procuring Entity. (2016 revised IRR, Section 5[r])

GOP – Government of the Philippines.

Infrastructure Projects – Include the construction, improvement, rehabilitation, demolition, repair, restoration or maintenance of roads and bridges, railways, airports, seaports, communication facilities, civil works components of information technology projects, irrigation, flood control and drainage, water supply, sanitation, sewerage and solid waste management systems, shore protection, energy/power and electrification facilities, national buildings, school buildings, hospital buildings, and other related construction projects of the government. Also referred to as *civil works or works*. (2016 revised IRR, Section 5[u])

LGUs – Local Government Units.

NFCC – Net Financial Contracting Capacity.

NGA – National Government Agency.

PCAB – Philippine Contractors Accreditation Board.

PhilGEPS - Philippine Government Electronic Procurement System.

Procurement Project – refers to a specific or identified procurement covering goods, infrastructure projects or consulting services. A Procurement Project shall be

described, detailed, and scheduled in the Project Procurement Management Plan prepared by the agency which shall be consolidated in the procuring entity's Annual Procurement Plan. (GPPB Circular No. 06-2019 dated 17 July 2019)

PSA – Philippine Statistics Authority.

SEC – Securities and Exchange Commission.

SLCC – Single Largest Completed Contract.

UN – United Nations.

Section I. Invitation to Bid

INVITATION TO BID FOR IMPROVEMENT OF SITE, ROADS, PARKS, AND OPEN SPACES

1. The Clark International Airport Corporation (CIAC), through the Corporate Budget CY 2024, intends to apply the sum of **Twenty-Five Million Pesos (Php25,000,000.00) VAT-inclusive** being the Approved Budget for the Contract (ABC) to payments under the contract for the **"Improvement of Site, Roads, Parks, and Open Spaces"**. Bids received in excess of the ABC shall be automatically rejected at bid opening.
2. The CIAC now invites bids for the Improvement of Site, Roads, Parks, and Open Spaces. Completion of the Works is within **One Hundred Fifty (150) Calendar Days** from receipt of the Notice to Proceed (NTP). Bidders should have completed a contract similar to the Project. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section II (Instructions to Bidders).
3. Bidding will be conducted through open competitive bidding procedures using non-discretionary *"pass/fail"* criterion as specified in the 2016 revised Implementing Rules and Regulations (IRR) of Republic Act (RA) No. 9184.
4. Interested bidders may obtain further information from CIAC and inspect the Bidding Documents at the address given below from 8:00 a.m. to 5:00 p.m., Monday to Friday.
5. A complete set of Bidding Documents may be acquired by interested bidders on **19 November 2024** until the deadline for the submission of bids from the given address and website/s below and upon payment of the applicable fee for the Bidding Documents, pursuant to the latest Guidelines issued by the GPPB, in the amount of **Twenty-Five Thousand Pesos (Php25,000.00)**. The Procuring Entity shall allow the bidder to present its proof of payment for the fees in person/or through electronic means.
6. The CIAC will hold a Pre-Bid Conference on **07 November 2024, 9:00 a.m.** at CIAC Corporate Office Building, Civil Aviation Complex, Clark Freeport Zone, Pampanga, Philippines and through videoconferencing/webcasting via Zoom application which shall be open to prospective bidders.
7. Bids must be duly received by the SBAC Secretariat through manual submission at the Records Management Office, CIAC Corporate Office Building, Civil Aviation Complex, Clark Freeport Zone, Pampanga, Philippines 2023 **on or before 19 November 2024, not later than 1:00 P.M.** Late bids shall not be accepted.
8. All bids must be accompanied by a bid security in any of the acceptable forms and in the amount stated in ITB Clause 16.
9. Bid opening shall be on **19 November 2024, 1:15 P.M. at CIAC Corporate Office Building, Civil Aviation Complex, Clark Freeport Zone**, or through video conferencing via Zoom Application, and shall be live-streamed in CIAC's Facebook Page. Bids will be opened in the presence of the bidders' representatives who choose to attend the activity.

10. The CIAC reserves the right to reject any and all bids, declare a failure of bidding, or not award the contract at any time prior to contract award in accordance with Sections 35.6 and 41 of the 2016 revised Implementing Rules and Regulations (IRR) of RA No. 9184, without thereby incurring any liability to the affected bidder or bidders.

Each Bidder shall submit one (1) original and two (2) certified true copies of its bid.

11. For further information, please refer to:

SBAC Chairperson

Section II. Instructions to Bidders

1. **Scope of Bid**

The Clark International Airport Corporation (CIAC), through the Corporate Budget CY 2024, invites Bids for the **Improvement of Site, Roads, Parks, and Open Spaces**.

The Procurement Project (referred to herein as "Project") is for the Improvement of Site, Roads, Parks, and Open Spaces as described in Section VI (Specifications).

2. **Funding Information**

2.1. The GOP through the source of funding as indicated below for the Corporate Budget of CY 2024 in the sum of **Twenty-Five Million Pesos (Php25,000,000.00) VAT-inclusive** being the Approved Budget for the Contract (ABC).

2.2. The source of funding is:
The Clark International Airport Corporation (CIAC) through the Corporate Budget of CY 2024.

3. **Bidding Requirements**

The Bidding for the Project shall be governed by all the provisions of RA No. 9184 and its 2016 revised IRR, including its Generic Procurement Manual and associated policies, rules and regulations as the primary source thereof, while the herein clauses shall serve as the secondary source thereof.

Any amendments made to the IRR and other GPPB issuances shall be applicable only to the ongoing posting, advertisement, or invitation to bid by the SBAC through the issuance of a supplemental or bid bulletin.

The Bidder, by the act of submitting its Bid, shall be deemed to have inspected the site, determined the general characteristics of the contracted Works and the conditions for this Project, such as the location and the nature of the work; (b) climatic conditions; (c) transportation facilities; (c) nature and condition of the terrain, geological conditions at the site communication facilities, requirements, location and availability of construction aggregates and other materials, labor, water, electric power and access roads; and (d) other factors that may affect the cost, duration and execution or implementation of the contract, project, or work and examine all instructions, forms, terms, and project requirements in the Bidding Documents.

4. **Corrupt, Fraudulent, Collusive, Coercive, and Obstructive Practices**

The Procuring Entity, as well as the Bidders and Contractors, shall observe the highest standard of ethics during the procurement and execution of the contract. They or through an agent shall not engage in corrupt, fraudulent, collusive, coercive, and obstructive practices defined under Annex "I" of the

2016 revised IRR of RA No. 9184 or other integrity violations in competing for the Project.

5. Eligible Bidders

- 5.1. Only Bids of Bidders found to be legally, technically, and financially capable will be evaluated.
- 5.2. The Bidder must have an experience of having completed a Single Largest Completed Contract (SLCC) that is similar to this Project, equivalent to at least fifty percent (50%) of the ABC adjusted, if necessary, by the Bidder to current prices using the PSA's CPI, except under conditions provided for in Section 23.4.2.4 of the 2016 revised IRR of RA No. 9184.

A contract is considered to be "similar" to the contract to be bid if it has the major categories of work stated in the **BDS**.

- 5.3. For Foreign-funded Procurement, the Procuring Entity and the foreign government/foreign or international financing institution may agree on another track record requirement, as specified in the Bidding Document prepared for this purpose.
- 5.4. The Bidders shall comply with the eligibility criteria under Section 23.4.2 of the 2016 IRR of RA No. 9184.

6. Origin of Associated Goods

There is no restriction on the origin of Goods other than those prohibited by a decision of the UN Security Council taken under Chapter VII of the Charter of the UN.

7. Subcontracts

- 7.1. Subcontracting is allowed. The portions of the Project and the maximum percentage allowed to be subcontracted are indicated in the BDS, which shall not exceed fifty percent (50%) of the contracted Works.
- 7.2. The Bidder must submit together with its Bid the documentary requirements of the subcontractor(s) complying with the eligibility criteria stated in **ITB** Clause 5 in accordance with Section 23.4 of the 2016 revised IRR of RA No. 9184 pursuant to Section 23.1 thereof.
- 7.3. The Supplier may identify its subcontractor during the contract implementation stage. Subcontractors identified during the bidding may be changed during the implementation of this Contract. Subcontractors must submit the documentary requirements under Section 23.1 of the 2016 revised IRR of RA No. 9184 and comply with

the eligibility criteria specified in **ITB** Clause 5 to the implementing or end-user unit.

- 7.4. Subcontracting of any portion of the Project does not relieve the Contractor of any liability or obligation under the Contract. The Supplier will be responsible for the acts, defaults, and negligence of any subcontractor, its agents, servants, or workmen as fully as if these were the Contractor's own acts, defaults, or negligence, or those of its agents, servants, or workmen.

8. Pre-Bid Conference

CIAC will hold a pre-bid conference for this Project on the specified date and time and either at its physical address at Clark International Airport Corporation, Corporate Office Building, Civil Aviation Complex, Clark Freeport Zone, Pampanga and/or through videoconferencing/webcasting} as indicated in paragraph 6 of the **IB**.

9. Clarification and Amendment of Bidding Documents

Prospective bidders may request for clarification on and/or interpretation of any part of the Bidding Documents. Such requests must be in writing and received by the Procuring Entity, either at its given address or through electronic mail indicated in the **IB**, at least ten (10) calendar days before the deadline set for the submission and receipt of Bids.

10. Documents Comprising the Bid: Eligibility and Technical Components

- 10.1. The first envelope shall contain the eligibility and technical documents of the Bid as specified in **Section IX. Checklist of Technical and Financial Documents**.
- 10.2. If the eligibility requirements or statements, the bids, and all other documents for submission to the SBAC are in foreign language other than English, it must be accompanied by a translation in English, which shall be authenticated by the appropriate Philippine foreign service establishment, post, or the equivalent office having jurisdiction over the foreign bidder's affairs in the Philippines. For Contracting Parties to the Apostille Convention, only the translated documents shall be authenticated through an apostille pursuant to GPPB Resolution No. 13-2019 dated 23 May 2019. The English translation shall govern, for purposes of interpretation of the bid.
- 10.3. A valid PCAB License is required, and in case of joint ventures, a valid special PCAB License, and registration for the type and cost of the contract for this Project. Any additional type of Contractor license or permit shall be indicated in the **BDS**.

- 10.4. A List of Contractor's key personnel (e.g., Project Manager, Project Engineers, Materials Engineers, and Foremen) assigned to the contract to be bid, with their complete qualification and experience data shall be provided. These key personnel must meet the required minimum years of experience set in the **BDS**.
- 10.5. A List of Contractor's major equipment units, which are owned, leased, and/or under purchase agreements, supported by proof of ownership, certification of availability of equipment from the equipment lessor/vendor for the duration of the project, as the case may be, must meet the minimum requirements for the contract set in the **BDS**.

11. Documents Comprising the Bid: Financial Component

- 11.1. The second bid envelope shall contain the financial documents for the Bid as specified in **Section IX. Checklist of Technical and Financial Documents**.
- 11.2. Any bid exceeding the ABC indicated in paragraph 1 of the **IB** shall not be accepted.
- 11.3. For Foreign-funded procurement, a ceiling may be applied to bid prices provided the conditions are met under Section 31.2 of the 2016 revised IRR of RA No. 9184.

12. Alternative Bids

Bidders shall submit offers that comply with the requirements of the Bidding Documents, including the basic technical design as indicated in the drawings and specifications. Unless there is a value engineering clause in the **BDS**, alternative Bids shall not be accepted.

13. Bid Prices

All bid prices for the given scope of work in the Project as awarded shall be considered as fixed prices, and therefore not subject to price escalation during contract implementation, except under extraordinary circumstances as determined by the NEDA and approved by the GPPB pursuant to the revised Guidelines for Contract Price Escalation guidelines.

14. Bid and Payment Currencies

- 14.1. Bid prices may be quoted in the local currency or tradeable currency accepted by the BSP at the discretion of the Bidder. However, for purposes of bid evaluation, Bids denominated in foreign currencies shall be converted to Philippine currency based on the exchange rate as published in the BSP reference rate bulletin on the day of the bid opening.

14.2. Payment of the contract price shall be made in Philippine Pesos.

15. Bid Security

15.1. The Bidder shall submit a Bid Securing Declaration or any form of Bid Security in the amount indicated in the **BDS**, which shall be not less than the percentage of the ABC in accordance with the schedule in the **BDS**.

15.2. The Bid and bid security shall be valid until 120 calendar days from the date of the opening of bids. Any bid not accompanied by an acceptable bid security shall be rejected by the Procuring Entity as non-responsive.

16. Sealing and Marking of Bids

Each Bidder shall submit one original copy and two duplicates (copy 1 and copy 2) of the first and second components of its Bid.

The Procuring Entity may request additional hard copies and/or electronic copies of the Bid. However, failure of the Bidders to comply with the said request shall not be a ground for disqualification.

If the Procuring Entity allows the submission of bids through online submission to the given website or any other electronic means, the Bidder shall submit an electronic copy of its Bid, which must be digitally signed. An electronic copy that cannot be opened or is corrupted shall be considered non-responsive and, thus, automatically disqualified.

17. Deadline for Submission of Bids

The Bidders shall submit on the specified date and time and either at its physical address or through online submission as indicated in paragraph 7 of the **IB**.

18. Opening and Preliminary Examination of Bids

18.1. The SBAC shall open the Bids in public at the time, on the date, and at the place specified in paragraph 9 of the **IB**. The Bidders' representatives who are present shall sign a register evidencing their attendance. In case videoconferencing, webcasting or other similar technologies will be used, attendance of participants shall likewise be recorded by the SBAC Secretariat.

In case the Bids cannot be opened as scheduled due to justifiable reasons, the rescheduling requirements under Section 29 of the 2016 revised IRR of RA No. 9184 shall prevail.

- 18.2. The preliminary examination of Bids shall be governed by Section 30 of the 2016 revised IRR of RA No. 9184.

19. Detailed Evaluation and Comparison of Bids

- 19.1. The Procuring Entity's SBAC shall immediately conduct a detailed evaluation of all Bids rated "*passed*" using non-discretionary pass/fail criteria. The SBAC shall consider the conditions in the evaluation of Bids under Section 32.2 of 2016 revised IRR of RA No. 9184.
- 19.2. If the Project allows partial bids, all Bids and combinations of Bids as indicated in the **BDS** shall be received by the same deadline and opened and evaluated simultaneously so as to determine the Bid or combination of Bids offering the lowest calculated cost to the Procuring Entity. Bid Security as required by **ITB** Clause 15 shall be submitted for each contract (lot) separately.
- 19.3. In all cases, the NFCC computation pursuant to Section 23.4.2.6 of the 2016 revised IRR of RA No. 9184 must be sufficient for the total of the ABCs for all the lots participated in by the prospective Bidder.

20. Post Qualification

Within a non-extendible period of five (5) calendar days from receipt by the Bidder of the notice from the SBAC that it submitted the Lowest Calculated Bid, the Bidder shall submit its latest income and business tax returns filed and paid through the BIR Electronic Filing and Payment System (eFPS), and other appropriate licenses and permits required by law and stated in the **BDS**.

21. Signing of the Contract

The documents required in Section 37.2 of the 2016 revised IRR of RA No. 9184 shall form part of the Contract. Additional Contract documents are indicated in the **BDS**.

Section III. Bid Data Sheet

Bid Data Sheet

ITB Clause								
5.2	<p>The Bidder must have completed a single contract that is similar to this Project, equivalent to at least fifty percent (50%) of the ABC.</p> <p>For this purpose, similar contracts shall refer to those for the supply, installation of various signages/markers/way finders, and landscaping of open spaces, including the supply of materials, labor, and equipment thereof.</p> <p>The Bidder shall submit documented proof such as the original or certified true copy of the contracts and the original or a certified true copy of the Certificate of Completion/Acceptance. In case of contracts with the private sector, an equivalent document shall be submitted.</p>							
7.1	Subcontracting is not allowed.							
10.3	<p>Bidders must have at least a PCAB License, Medium A License Category B for General Building. The PCAB license must be valid and effective at the time of submission of the bid.</p> <p>In the case of Joint Venture (JV), the Special PCAB License of the JV is required during the submission of bids. To secure the required Special PCAB License, it is required that:</p> <ol style="list-style-type: none"> 1. Partnerships consisting of constructors must apply to PCAB as a Joint Venture, wherein all constructor partners are required to have or apply for a Regular PCAB License or in case of a foreign partner, a "Special PCAB License for Foreign Constructors". 2. Partnerships consisting of constructors and non-constructors (e.g. financier or equipment supplier) must apply as a Consortium, wherein a PCAB License of one (1) partner constitutes compliance. <p>Under IRR of RA 4566, the following are defined:</p> <ul style="list-style-type: none"> • Consortium – means a cooperative arrangement between licensed constructor(s) and non-constructor(s) to jointly perform a single specific undertaking/project with the licensed constructor(s) as managing and operating partner(s) and the others as financier(s) or any such other construction supportive role. • Joint Venture – means a cooperative arrangement of licensed constructors/contractors to jointly perform a single specific undertaking/project with each of the partners contributing to the performance. <p>"Constructor" shall have the same meaning as "Contractor".</p>							
10.4	<p>The key personnel must meet the required minimum years of experience set below:</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 20%;">Key Personnel</th> <th style="width: 60%;">Relevant Experience</th> <th style="width: 20%;">Minimum Required</th> </tr> </thead> <tbody> <tr> <td style="text-align: center;">Project</td> <td>Licensed Architect, with minimum three (3)</td> <td style="text-align: center;">1</td> </tr> </tbody> </table>		Key Personnel	Relevant Experience	Minimum Required	Project	Licensed Architect, with minimum three (3)	1
Key Personnel	Relevant Experience	Minimum Required						
Project	Licensed Architect, with minimum three (3)	1						

Architect	years work experience related to the project	
Project Engineer	Licensed Civil Engineer, with minimum three (3) years work experience related to the project	1
Electrical Engineer	Licensed Electrical Engineer, with minimum three (3) years work experience related to the project	1
Construction Foreman	With minimum two (2) years work experience related to the project	1
Safety Officer	Occupational Safety and Health Officer or Practitioner in Construction with minimum two (2) years work experience as Safety Officer	1

- a. Each nominated personnel shall only be nominated in a single position;
- b. The winning bidder shall ensure that its nominated key personnel shall be working full-time on the project;
- c. That the nominated personnel shall submit individual CVs/Resumes;
- d. Photocopies of PRC licenses, DPWH accreditation. Expired licenses may be accepted as long that there is proof of renewal prior the submission of the bid;
- e. Valid or renewed PRC license of all key personnel assigned must be shown during post-qualifications;
- f. If the proposed key-personnel is an employee of the bidder working on a different project at the time of the bidding, the bidder shall submit a certification duly signed by the Authorized Representative that:
 - i. The personnel will be pulled out from the ongoing project should the bidder is awarded the contract;
 - ii. If not possible, the proposed key-personnel shall be replaced of equal or better qualifications.

10.5 The minimum major equipment requirements are the following:

Equipment	Capacity	Minimum Required
Cargo truck	2.0-5.0MT capacity (minimum)	1
Boom truck with Manlift truck	10-15MT with a minimum working height of 25ft.	1

Additional documents to be submitted:

- a. Photo of the vehicle/equipment; and
- b. Photo of body marking showing the capacity of the vehicle/equipment

The bidder may deploy additional equipment during implementation on top of the mandatory equipment if necessary.

12 Alternative bids **NOT** allowed.

15.1	<p>The bid security shall be in the form of a Bid Securing Declaration or any of the following forms and amounts:</p> <ol style="list-style-type: none"> a. The amount of not less than Five Hundred Thousand Pesos (Php500,000.00), if bid security is in cash, cashier's/manager's check, bank draft/guarantee or irrevocable letter of credit; b. The amount of not less than One Million Two Hundred Fifty Thousand Pesos (Php1,250,000.00) if bid security is in Surety Bond.
19.2	<p>Partial bid is not allowed. The infrastructure project is packaged in a single lot and the lot shall not be divided into sub-lots for the purpose of bidding, evaluation, and contract award.</p>
20	<p>A. Only tax returns filed and taxes paid through the BIR Electronic Filing and Payment System (EFPS) shall be accepted.</p> <p>The Bidder shall submit Certified True Copy of the following documents filed using the Electronic Filing and Payment System (EFPS):</p> <ol style="list-style-type: none"> a. INCOME TAX RETURN- refer to the latest ITR (BIR Form No. 1702 for Corporation and Partnership); and b. BUSINESS TAX RETURNS- refers to the: <ol style="list-style-type: none"> b.1 Pursuant to RMC No. 5-2023 dated January 3, 2023 "which states that beginning 1 January 2023, the filing and payment required under this subsection shall be done within twenty-five days following the close of each taxable quarter", In this regard, VAT-registered taxpayers are no longer required to file the Monthly Value-Added Tax Declaration (BIR Form No. 2550M) for transactions starting January 1, 2023 but will instead file the corresponding Quarterly Value-Added Tax Return (BIR Form No. 2550Q) within twenty-five (25) days following the close of each taxable quarter when the transactions transpired; b.2 Percentage Tax Returns (BIR Form No. 2551-M) covering the previous six (6) months immediately preceding the date of submission and opening of bids. <p>For Income Tax Returns:</p> <p>For participants already with an Annual ITR, Latest ITR shall refer to the ITR for the preceding Tax Year be it on a calendar or fiscal year. For new establishments which, therefore, have no annual ITR yet, it shall refer to the most recent quarter's ITR.</p> <p>For Latest Business Tax Return:</p> <p>Refers to the Value Added Tax (VAT) or Percentage tax returns covering the previous six months. For those with less than six (6) months of operations, this refers to the monthly business tax return filed to date.</p>

	B. Bidders must have at least a PCAB License, Medium A License Category B for General Building. The PCAB license must be valid and effective at the time of submission of the bid.
21	Additional contract documents are required to form part , such as: (a) Program of Work, (b) Bill of Quantities, (c) Detailed Unit Price Analysis, (d) Construction Schedule and S-curve, (e) Manpower and Equipment Utilization Schedule, (f) Construction Methodology, (g) Construction Safety and Health Program approved by the DOLE, and (h) other acceptable tools of project scheduling.

***Section IV. General Conditions of
Contract***

1. Scope of Contract

This Contract shall include all such items, although not specifically mentioned, that can be reasonably inferred as being required for its completion as if such items were expressly mentioned herein. All the provisions of RA No. 9184 and its 2016 revised IRR, including the Generic Procurement Manual, and associated issuances, constitute the primary source for the terms and conditions of the Contract, and thus, applicable in contract implementation. Herein clauses shall serve as the secondary source for the terms and conditions of the Contract.

This is without prejudice to Sections 74.1 and 74.2 of the 2016 revised IRR of RA No. 9184 allowing the GPPB to amend the IRR, which shall be applied to all procurement activities, the advertisement, posting, or invitation of which were issued after the effectivity of the said amendment.

2. Sectional Completion of Works

If sectional completion is specified in the **Special Conditions of Contract (SCC)**, references in the Conditions of Contract to the Works, the Completion Date, and the Intended Completion Date shall apply to any Section of the Works (other than references to the Completion Date and Intended Completion Date for the whole of the Works).

3. Possession of Site

3.1 The Procuring Entity shall give possession of all or parts of the Site to the Contractor based on the schedule of delivery indicated in the **SCC**, which corresponds to the execution of the Works. If the Contractor suffers delay or incurs cost from failure on the part of the Procuring Entity to give possession in accordance with the terms of this clause, the Procuring Entity's Representative shall give the Contractor a Contract Time Extension and certify such sum as fair to cover the cost incurred, which sum shall be paid by Procuring Entity.

3.2 If possession of a portion is not given by the above date, the Procuring Entity will be deemed to have delayed the start of the relevant activities. The resulting adjustments in contract time to address such delay may be addressed through contract extension provided under Annex "E" of the 2016 revised IRR of RA No. 9184.

4. The Contractor's Obligations

The Contractor shall employ the key personnel named in the Schedule of Key Personnel indicating their designation, in accordance with **ITB** Clause 10.3 and specified in the **BDS**, to carry out the supervision of the Works.

The Procuring Entity will approve any proposed replacement of key personnel only if their relevant qualifications and abilities are equal to or better than those of the personnel listed in the Schedule.

5. Performance Security

- 5.1. Within ten (10) calendar days from receipt of the Notice of Award from the Procuring Entity but in no case later than the signing of the contract by both parties, the successful Bidder shall furnish the performance security in any of the forms prescribed in Section 39 of the 2016 revised IRR.
- 5.2. The Contractor, by entering into the Contract with the Procuring Entity, acknowledges the right of the Procuring Entity to institute action pursuant to RA No. 3688 against any subcontractor be they an individual, firm, partnership, corporation, or association supplying the Contractor with labor, materials and/or equipment for the performance of this Contract.

6. Site Investigation Reports

The Contractor, in preparing the Bid, shall rely on any Site Investigation Reports referred to in the **SCC** supplemented by any information obtained by the Contractor.

7. Warranty

- 7.1. In case the Contractor fails to undertake the repair works under Section 62.2.2 of the 2016 revised IRR, the Procuring Entity shall forfeit its performance security, subject the contractor's property(ies) to attachment or garnishment proceedings, and perpetually disqualify it from participating in any public bidding. All payables of the GOP in his favor shall be offset to recover the costs.
- 7.2. The warranty against Structural Defects/Failures, except that occasioned-on force majeure, shall cover the period from the date of issuance of the Certificate of Final Acceptance by the Procuring Entity. Specific duration of the warranty is found in the **SCC**.

8. Liability of the Contractor

Subject to additional provisions, if any, set forth in the **SCC**, the Contractor's liability under this Contract shall be as provided by the laws of the Republic of the Philippines.

If the Contractor is a joint venture, all partners to the joint venture shall be jointly and severally liable to the Procuring Entity.

9. Termination for Other Causes

Contract termination shall be initiated in case it is determined *prima facie* by the Procuring Entity that the Contractor has engaged, before, or during the implementation of the contract, in unlawful deeds and behaviors relative to contract acquisition and implementation, such as, but not limited to corrupt, fraudulent, collusive, coercive, and obstructive practices as stated in **ITB** Clause 4.

10. Dayworks

Subject to the guidelines on Variation Order in Annex "E" of the 2016 revised IRR of RA No. 9184, and if applicable as indicated in the **SCC**, the Dayworks rates in the Contractor's Bid shall be used for small additional amounts of work only when the Procuring Entity's Representative has given written instructions in advance for additional work to be paid for in that way.

11. Program of Work

11.1. The Contractor shall submit to the Procuring Entity's Representative for approval the said Program of Work showing the general methods, arrangements, order, and timing for all the activities in the Works. The submissions of the Program of Work are indicated in the **SCC**.

11.2. The Contractor shall submit to the Procuring Entity's Representative for approval an updated Program of Work at intervals no longer than the period stated in the **SCC**. If the Contractor does not submit an updated Program of Work within this period, the Procuring Entity's Representative may withhold the amount stated in the **SCC** from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Program of Work has been submitted.

12. Instructions, Inspections and Audits

The Contractor shall permit the GOP or the Procuring Entity to inspect the Contractor's accounts and records relating to the performance of the Contractor and to have them audited by auditors of the GOP or the Procuring Entity, as may be required.

13. Advance Payment

The Procuring Entity shall, upon a written request of the Contractor which shall be submitted as a Contract document, make an advance payment to the Contractor in an amount not exceeding fifteen percent (15%) of the total contract price, to be made in lump sum, or at the most two installments

according to a schedule specified in the **SCC**, subject to the requirements in Annex "E" of the 2016 revised IRR of RA No. 9184.

14. Progress Payments

The Contractor may submit a request for payment for Work accomplished. Such requests for payment shall be verified and certified by the Procuring Entity's Representative/Project Engineer. Except as otherwise stipulated in the **SCC**, materials and equipment delivered on the site but not completely put in place shall not be included for payment.

15. Operating and Maintenance Manuals

- 15.1. If required, the Contractor will provide "as built" Drawings and/or operating and maintenance manuals as specified in the **SCC**.
- 15.2. If the Contractor does not provide the Drawings and/or manuals by the dates stated above, or they do not receive the Procuring Entity's Representative's approval, the Procuring Entity's Representative may withhold the amount stated in the **SCC** from payments due to the Contractor.

Section V. Special Conditions of Contract

Special Conditions of Contract

GCC Clause	
2	There shall be no sectional completion of the Project. The project shall be completed within 150 calendar days, inclusive of the application of all necessary permits and licenses, which shall commence within seven (7) calendar days upon receipt of the Notice to Proceed.
4	No further instruction.
6	No further instruction.
7.2	The warranty against Structural Defects/Failures, except those occasioned-on force majeure, shall be fifteen (15) years from the date of issuance of the Certificate of Final Acceptance by the CIAC or its duly authorized representative.
10	Dayworks are applicable at the rate shown in the Contractor's original Bid.
11.1	The Contractor shall submit the Program of Work to the Procuring Entity's Representative within 10 calendar days from issuance of the Notice of Award.
11.2	The contractor shall submit updated Program of Works, and Schedules, on weekly and monthly reporting.
13	The Procuring Entity shall, upon a written request of the Contractor which shall be submitted as a Contract document, make an advance payment to the Contractor in an amount not exceeding fifteen percent (15%) of the total contract price, to be made in lump sum.
14	The First Progress payment shall be paid by the Procuring Entity to the Contractor provided that at least 20% of the work has been accomplished as certified by the Procuring Entity Representative and at least 10% of work accomplished for the succeeding progress billing.
15.1	Prior to issuance of a Certificate of Completion, the Contractor is required to submit the following: <ul style="list-style-type: none"> a. 1 set of e-files, and 4 sets of hard copies (size 20in. x 30in) of the As-Built Drawings, and 1 set of e-files, and 4 sets of hard copies (A4 size) of the As-Built Quantities.
15.2	Failure of the Contractor to submit the requirements stated in Section 15.1 shall be grounds for withholding the final payment. The final payment shall only be released upon the fulfillment of these requirements..

Section VI. Technical Specifications

PROJECT DESCRIPTION AND LOCATION

The Clark International Airport Corporation (CIAC) aims to implement the project "Improvement of Site, Roads, Parks, and Open Spaces" located at the Civil Aviation Complex, Clarkfield, Pampanga. The project will enhance the Clark Aviation Capital (CAC), through the Urban Renewal Program, which will develop parks, open spaces, promoting accessibility, safety, environmental sustainability, and community well-being. This initiative addresses key urban challenges anticipating CAC's future growth as a premier global logistics hub.

SCOPE AND DESCRIPTION OF WORK

The Work to be done under this Project consists of furnishing all labor, materials, tools, equipment, and facilities, including supervision, fabrication, detailed architectural and engineering design, construction, testing, and acceptance, for the proper completion of the project, all in accordance with the Plans and Specifications. Scope of work shall include but not be limited to the following:

- I. General Requirements
- II. Banners, Signages, and Lighting, Including Traffic and Road Directional Signages
- III. Iconic Gateway Markers and Public Art Installation
- IV. Landscaping and Beautification of Road Planting Strips and Open Spaces

The project involves also the following:

1. Securing Permits, Licenses, Access Pass, Bonds, and Insurances.
2. Conduct as-staked surveys, quantifications, actual site verifications, survey & staking works, and submission of construction documents.
3. Inventory of all existing structures, trees, utilities (including underground), surveying and staking works, civil works, electrical works, and other appurtenant items required for construction.
4. Removal and disposition of unsuitable soil/material, debris, trimming/removal of trees.
5. Civil works and electrical construction work.
6. Removal, and relocation of existing various signages, and way finders as shown on the drawings.
7. Removal and replacement of existing various signages, and way finders as shown on the drawings.
8. Refurbishing (re-painting, replacement of sticker sign, etc.) of existing various signages, and way finders as shown on the drawings.
9. Re-painting of existing street light poles along Gil Puyat Avenue, One Clark Avenue (National Food Hub gateway), and Clark Aviation Capital Roads as shown on the drawings.
10. Supply, delivery, and installation of CIAC branding features and landmarks.
11. Supply, delivery, and installation of soft scaping (trees, shrubs, plants, etc.), and landscaping along Clark Aviation Capital roads as shown on the drawings.
12. Supply, delivery, and installation of electrical and mechanical systems.
13. Supply, delivery, and installation of electrical light fixtures (up lights, solar flood lights, breakers, switches, etc.)
14. Supply, delivery, and installation of LED illuminated CIAC lamp post banners, signages, narrow and wide way finders, iconic gateway markers, and public arts as shown on the drawings.
15. Supply, delivery, and installation of road and directional signages.

This set of specifications shall govern the methods of construction and the kind of materials to be used for the project shown in the plans and detailed drawings.

The plans, detailed drawings, bill of quantities, scope of works, and these specifications shall be considered as complementing to each other, so that what is mentioned or shown in the other, shall be considered as appearing on both. In case of conflict between the two, the same should be referred to the CIAC Representative for resolution.

DESCRIPTION	DETAILS
. General Requirements:	
1. Project Billboard:	<ul style="list-style-type: none"> • Format, type, and information comply with Commission on Audit (COA) regulations. • Specifications: <ul style="list-style-type: none"> Color: White Size: 2.40m x 2.40m Resolution: 70 dpi Font: Helvetica Font Size of Main Information: 75mm Font Size of Sub-Information: 25mm Font Color: Black Suitable Frame: Rigid Wood frame with post. Posting Location: Outside display at the project location after the award has been made • The information shall contain but is not limited to i.) the logo of the funding agencies, ii.) the name of the implementing agencies, iii.) name of contractor, iv.) project title, location, Cost and description, v.) project details to include duration, date started, target date of completion and project status, and vi.) COA Anti-corruption Hotline. • The display/and or affixture of the picture, image, motto, logo, color motif, initials or other symbol or graphic representation associated with the top leadership of the proper proponent or implementing agency/unit/office, on project billboard, is considered unnecessary. • Post and frame: Post and frames/braces shall be made from good lumber with a 2 x 3 and 2 x 2 inches size respectively and shall be well-seasoned, straight and free of injurious defects. The frame will be covered with 2 pieces ½ inch thick ordinary plywood where the tarpaulin will be attached.
2. Temporary Facilities:	<ul style="list-style-type: none"> • Field Offices • Temporary utilities (water, electricity, communication); • Sanitary facilities for use of all contractor's personnel; • Materials and equipment staging area; • Temporary enclosures/fencing; • Project sign board
3. Regulatory Requirements:	<ul style="list-style-type: none"> • Legwork and payment for obtaining the following: Building Permit, Electrical Permit, Environmental Permit, Occupancy

	<p>Permit, Permanent connection to electrical utilities, and other permits as may be required by concerned government agency, are borne solely by the Contractor.</p> <ul style="list-style-type: none"> • Permits and Licenses- Legwork and payment for obtaining the following: <ul style="list-style-type: none"> - Building Permit, Electrical Permit, Environmental Permit, Occupancy Permit, Permanent connection to electrical utilities, and other permits as may be required by the concerned government agency, are by the Contractor. - Contractor's All Risk Insurance & Third-Party Liability and Workman's Compensation Insurance (CARI), and other insurances required by the Clark Development Corporation among others, including payment of assessed fees, as may be required by the CDC and/or Regulating Agencies before the implementation of the project. - Upon issuance of Notice to Proceed (NTP), the Contractor shall have thirty (30) calendar days to apply for a building permit before the start of mobilization and actual implementation of the project. The actual implementation period shall be 120 calendar days up to project completion.
<p>4. Disposal of unsuitable and other materials:</p>	<ul style="list-style-type: none"> • All materials having salvage value shall be carefully removed to avoid damage and shall be placed in neat piles outside of construction limits, but within the right-of-way of disposal sites shown on the Drawings or as directed by the CIAC. • Approved salvaged materials shall be turned over to CIAC, and other salvaged materials shall be disposed of in such a manner as to prevent property damage, and create unsightly conditions. • All existing utilities and structures, shown on the Drawings to be removed, shall be entirely removed within the limits shown on the drawings. • When a portion of the existing structures is to be retained, care shall be taken not to impair the value of the retained portion and shall make good, at his own expense, any damage unto the retained portion. • During removal, demolition, and transfer, the Contractor shall take every precaution to protect adjacent structures and all other existing works from damage and to ensure the safety of his workmen and the general public.
<p>5. Construction Safety and Health:</p>	<ul style="list-style-type: none"> • Company Safety Policy which shall serve as the general guiding principles in the implementation of safety and health on site duly signed by the highest company official or his duly authorized representative who has the overall control of project execution and should include the contractor's general policy towards occupational safety, worker's welfare and health, and environment. • Safety policy, which shall include the commitment that the contractor shall comply with DOLE minimum safety requirements, including reporting requirements of the Occupational Health and Safety Standards (ASHS), and other relevant DOLE issuances.

	<ul style="list-style-type: none"> The contractor shall supply safety signages, and PPEs for all trade workers and have at all times during the project implementation an on-site safety officer. CIAC shall not be held liable for any untoward incident that may result in injury/or loss of life to the Contractor's personnel including other people and properties during the implementation of the project.
6. Standard Compliance:	<ul style="list-style-type: none"> Must conform to the standards of organizations such as DPWH, CIAC DSG, RA 9053 "Philippines Landscape Architecture Act of 2000"; AASHTO, UL, ASTM, ANSI, NEMA, National Building Code of the Philippines, and others, proof of such conformance shall be submitted to a CIAC representative for approval.
7. Guarantee:	<ul style="list-style-type: none"> The Contractor shall guarantee that the materials and works are free from defects and will remain so for a period of one year from the date of acceptance of the work. Any defects appearing within the said period shall be remedied by the Contractor at his own expense.
8. Damaged Property:	<ul style="list-style-type: none"> All damages to property caused by the Contractor's personnel with the Aviation Complex shall be immediately repaired by the Contractor at their own expense. If the Contractor shall fail to commence repair within seven calendar days after being informed of such damage. CIAC shall, at its option, undertake the remedial or corrective work, or have the same undertaken by other Contractors at the cost and expense of the Contractor. CIAC shall have the authority to deduct such amount from the Contractor's Progress Billing.
9. Contractor's Liability:	<ul style="list-style-type: none"> The Contractor is liable and responsible for any infraction, infringement and criminal negligence, or willful misconduct caused by its employees within the premises of Clark Freeport Zone. CIAC shall not be held liable for any untoward incident that may result in injury/or loss of life to the Contractor's personnel including other people and properties during the implementation of the project.
10. Gender and Development (GAD) Requirement:	<ul style="list-style-type: none"> The Contractor must have conducted a seminar on Gender and Development (GAD) at least within two (2) months of the contract implementation.
11. Safety and Security:	<ul style="list-style-type: none"> The Contractor shall comply at all times, with all security and safety requirements imposed by the CIAC Management while within the premises. All Contractor's personnel should be recognized while within the aviation complex for safety and security reasons. The Contractor shall adhere to all standard measures and requirements set by CIAC and shall, under no circumstances, violate standard rules and regulations. All Contractor's personnel involved and present at the project site should be equipped with personal protective equipment (PPE).

12. Project Reports:	<ul style="list-style-type: none"> The Contractor is required to submit daily activities report to include actual locations of activity, photographs, manpower and equipment to CIAC-ED.
13. Terms of Payment:	<ul style="list-style-type: none"> The Procuring Entity shall, upon a written request of the Contractor which shall be submitted as a Contract document, make an advance payment to the Contractor in an amount not exceeding fifteen percent (15%) of the total contract price, to be made in lump sum. The first progress payment shall be paid by the Procuring Entity to the Contractor provided that at least 20% of the work has been accomplished as certified by the Procuring Entity Representative and succeeding progress billing should be at least 10% of work accomplished. The final payment shall be withheld for failing to comply with the complete As-built and final documents described in the Billing Document Checklist.
II. Iconic Gateway Markers, Public Art Installation, CIAC Illuminated Banners, Signages, Lightings, Including Traffic and Road Directional Signages	
1. Site survey and investigation:	<ul style="list-style-type: none"> The contractor shall conduct an actual survey and verification of the location where the installation of all banners, signages, lightings, traffic, and road directional signages shall be located as indicated on the approved drawings or as directed by the end-user. Relocation, refurbishment, and improvement of existing markers, signages, way finders (Airforce City marker, I Love CAB marker, and other signages and markers shown on the detailed drawings.
2. Solar Flood Lights and Uplights:	<ul style="list-style-type: none"> Installation of various solar flood lights/up-lights with footing and concrete base, and solar street light posts with pedestal and anchor bolts, on which the schedule and location are shown on the detailed drawings. <ul style="list-style-type: none"> Solar flood light aluminum Power 100W, 200W, 300W, 400W which is applicable as shown on the drawings Solar panel polycrystalline Battery type lithium battery LED chips Minimum 80lm/W
3. CIAC illuminated lamp post banners, lighted signages, and traffic and road directional signages:	<ul style="list-style-type: none"> Supply, delivery, installation, testing, and acceptance of CIAC illuminated lamp post banners, lighted signages, and traffic and road directional signages. Excavation works, backfilling, concreting, and other civil works including concrete base, footing, pedestal, anchor bolts, pole, brackets, supports, clamps, and other required items to complete the work. Fabrication and installation of lamp post banners on the existing street light poles (double-arm pole) number, and location of existing major street lights along major roads of Clark Aviation Capital (CAC), and as directed by CIAC representative.

	<ul style="list-style-type: none"> • Fabrication and installation of lamp post banners on the identified number and location of existing major street lights along CM Recto Ave., with pole, pedestal, earthworks, electrical works, and items to make it operational. • Electrical works which includes but not limited to electrical lighting cable laying, electrical power cable laying, pipes/conduits, duct banks, concrete encasement, switches and breakers, mechanical timer switch, electrical tapping to nearest power source for the lighted lamp post banners, lighted signages, traffic and road directional signages, and all other necessary electrical works to make it operational. • Contractor to furnish all shop drawings and verification of locations according to site conditions for the approval of the end-user. • The contractor shall conduct necessary maintenance and restoration works for any disruption and damage on affected site developments within CAC. • Other construction notes and details shown on the approved drawings. <p>- Material Specifications:</p> <p>CIAC Lamp Post Banners, Two-way, Double Illuminated LED signage:</p> <ol style="list-style-type: none"> i. 5. Civil Works:	<ul style="list-style-type: none"> • Breaking of PCCP, Excavation and backfilling works for duct bank, concrete footing, dimensions as shown on the approved drawings, and be determined from actual survey, as-staked quantities. • Clearing works including tree-branches reduction, removal/earth-balling (to be coordinated with CDC-Environment Division). • Structure excavation for concrete footing, electrical conduits, ducts, and other underground piping. • Construction of footing and pedestal using class A (3,000psi @ 28days) concrete, dimension and details as shown on the approved drawings. • Poles: 50mm and 75mm (marker frame structure, directional signage, wayfinders), and 100mm (lamp post banner pole) diameter G.I. pipe schedule 40, powder coated, verify color to CIAC end-user, Base plate: 0.25m x 0.25m x 12mm thick, Pedestal: 0.30 x 0.30 x 0.30m concrete with anchor bolt, Footing: 0.30 x 0.3m top, 0.50m x 0.5m bottom, at 1.20m depth, Rebars: 16mm R5B for all reinforcing bar requirements, and Concrete: 3,000psi @ 28 days • Other materials applicable to the rest of the signages, markers, and way finders, not reflected on the drawings shall be of standard sizes, types, and usage, as per the DPWH, National Building Code of the Philippines, and CIAC DSG standards. • Bolts, nuts, and washers shall be in accordance with the latest ASTM standard, ASTM A325, ASTM A563, and ANSI B18.22.1 • When required, duct bank dimension shall be at least 0.20m x 0.20m, class A concrete (3,000psi at 28days), length as shown on the approved drawings, and be determined from actual survey, as-staked quantities. • The contractor shall be responsible for the tapping points connection provided by the utility providers on the project/work site premises, consistent with the latest CIAC Master Development Plan. • All painting works and materials shall conform to the requirements of ASTM. Apply one (1) coat of primer paint and two (2) coats of quick drying enamel paint for steel, and Semi-gloss latex for concrete/masonry.
7. Electrical Works	<ul style="list-style-type: none"> • All electrical materials, works and installations shall be in accordance with the latest edition of the Philippine Electric Code. Equipment, conduits rough-ins, wiring, devices, and fixtures shall be the capacity and type shown on schedule in the drawings. Installation shall be done under the supervision of a licensed electrical engineer. • All items not specifically mentioned in the specifications as noted on the drawing but which are necessary to make a

	<p>complete working installation shall be included and borne by the Contractor.</p> <ul style="list-style-type: none"> • All other materials, not specifically described but required for a complete and operable electrical installation, shall be new, first quality of their respective kinds, and as approved by the ED Representative. • All electrical installation herein shall be done in accordance with the provisions of the latest edition of the Philippine Electrical Code. The rules, regulations, and requirements of the local power company (Clark Electric Co.) and the laws and ordinances of the local enforcing authority. • The type of power service to be supplied shall be 230 Volts, 1 phase, 2 wires. • All service entrance conductors shall be copper, 30mm² type THHN/90 degrees 600Volt insulation, minimum size shall be copper 3.5mm² THHN 600Volts, unless otherwise specified. • All material shall be new and of the approved type for the location intended. • Standard type of accessories, splicing devices, termination and other appurtenances for the entire electrical installation shall be used. • All underground conductors shall be stranded copper (type THHN) 22mm², 600Volt insulation. <ul style="list-style-type: none"> - All non-current carrying metal parts of electrical equipment shall be effectively grounded. - Minimum size of conduit shall be 32mm diameter for uPVC, and 25mm diameter for EMT and RSC. - All electrical works herein shall be done under the direct and immediate supervision of a duly licensed electrical engineer. - All conductor terminals, taps, and splices shall be made with approved pressure connectors, and all contact surfaces shall be cleaned to assure maximum conductivity. - Other construction notes and details are shown on the approved drawings. - The contractor shall be responsible for connecting the tapping points provided by the utility providers on the project/work site premises, consistent with the latest CIAC Master Development Plan. <p>Material Requirements:</p> <ul style="list-style-type: none"> - Intermediate Metallic Conduit shall be galvanized and shall conform to ANSI Standard C-80. - uPVC plastic duct for concrete-encased burial shall be PVC schedule 40 and shall conform to NEMA standards. - Conduit fittings of types approved by the ED representative shall be provided as required for connection to junction, pull, and outlet boxes and to equipment.
--	--

	<ul style="list-style-type: none"> - Insulated conductors shall be copper with moisture and heat-resistant rubber or thermoplastic insulation. - Wires and Wiring Devices: <p>Wires and cables shall be of the approved type, meeting all the requirements of the Philippine Electric Code and shall conform to NEMA standard Rubber Insulated Wire and Cable for the transmission and distribution of electrical energy Phelps Dodge brand or approved equal shall be used.</p> <ul style="list-style-type: none"> i. All wires shall be copper (unless otherwise specified on the drawings), soft drawn and annealed, smooth, and of cylindrical form and shall be centrally located inside the insulation; ii. All joints, taps, and splices on wires larger than 14mm shall be made of suitable solderless connectors of the approved type and size. They shall be taped with rubber and PVC tapes providing insulation not less than that of the conductors; iii. All wiring devices shall be standard products of reputable electrical manufacturers. <p>Power Load Center, Switchgear, and Panelboard</p> <ul style="list-style-type: none"> i. All wires shall be copper (unless otherwise specified on the drawings), soft drawn and annealed, smooth, and of cylindrical form and shall be centrally located inside the insulation; ii. The molded case circuit breakers shall be of the thermal-magnetic type having magnetic tripping characteristic on overload and instantaneous trip on short circuits, shall be equipped with arc quenchers, shall have a quick-make and quick-break toggle mechanism, and shall have trip-free operating handles. Each multi-pole breaker shall have a common trip so that an overload on one pole will automatically cause all poles of the breakers to open. The circuit breakers shall have an interrupting rating of not less than 20,000 symmetrical amperes at 230 volts; iii. Panelboards shall conform to the schedule of panelboard as shown on the approved plans with respect to supply characteristics, rating of main lugs or main circuit breaker, number and ratings and capacities of branch circuit breakers;
--	---

	<ul style="list-style-type: none"> iv. Panelboard cabinets and trims shall be suitable for the type of mounting shown on the approved plans. The inside and outside of panelboard cabinets and trims shall be factory painted with one rust proofing primer coat and two finish shop coats of pearl gray enamel paint; v. Main and branch circuit breakers for panelboards shall have the rating, capacity and number of poles as shown on the approved plans. Breakers shall be thermal magnetic type. Multiple breaker shall be of the common trip type having a single operating handle. For 50-ampere breaker or less, it may consist of single pole breaker permanently assembled at the factory into a multi-pole unit; vi. All panel board and metallic boxes and electrically associated frame works shall be grounded effectively. Conductor and ground wires shall be insulated copper as shown and sizes as indicated in the plans. All connections shall be mechanically and electrically sound and secure by split type copper bolts and wire nuts of approved type. Grounding wire shall be made of stranded copper, soft drawn wire and shall be installed in one continuous length without splices or joint inside conduit. Ground rods shall be made of copper-clad steel and shall be driven in full length into the earth, sizes of which shall be indicated on the Plans' grounding details; vii. Photocell Switch. A hermetically sealed cadmium sulphide cell rated 230 volts AC, 60 Hz with single throw contacts rated at 1800 VA, 230 volts, shall be provided conforming to UL-773. The switch shall be mounted in a high-impact resistant, non-corroding and non-conductive molded plastic housing with a NEMA locking type receptacle. The switch shall turn on 10.76 lux and off 32.28 lux. A time delay shall prevent accidental switching from transient light sources. A directional lens shall be mounted in front of the call to prevent fixed light sources from creating a turn-off condition If necessary. The switch shall be aimed according to the manufacturer's instructions. Normally the sensor opening shall be facing east; viii. All non-current carrying metallic parts like conduits, cabinets, and equipment frames shall be properly grounded in accordance
--	---

	<p>with the Philippine Electrical Code, latest edition.</p> <p>ix. The size of the ground rods and ground wires shall be as shown on the approved plans. The ground resistance shall not be more than 5 Ohms.</p> <p>- Test and Guarantee: Upon completion of the electrical construction work, the contractor shall provide all test, and to submit written copies of all test results.</p> <ol style="list-style-type: none"> i. Check for grounds ii. Insulation resistance test iii. Continuity tests iv. Voltage level test v. Phase relationship vi. Check circuit connections at panel boards, all single-phase circuit shall be connected to phase as shown <p>The contractor shall guarantee that the electrical installations are done in accordance with the approved plans and specifications. The contractor shall guarantee that the electrical systems are free from all grounds and from all defective workmanship and materials. Any defects shall be remedied by the contractor at his own expense.</p> <p>The contractor shall be responsible for connecting the tapping points provided by the utility providers on the project/work site premises, consistent with the latest CIAC Master Development Plan.</p>
<p>3. BRT-PUJ Waiting Shed, Pick up and Drop off Points (9-units):</p>	<ul style="list-style-type: none"> • Improvement of BRT-PUJ Waiting Shed, Pick up and Drop off Points (9-units) • Site grading and preparation • Demolition and removal works • Removal of existing roofing as shown on the drawings. • Masonry works and architectural finishes (deco stones) for the floors, walls, and benches, as reflected on the drawings. • Construction of new roofing and ceiling with accessories (flashing, gutter, downspout, ridge, cap, etc.), color as approved by the end-user. • Repainting of columns, benches, and other members, color as approved by the end-user. • Electrical, Power, and Lighting Works, including fixtures, switches, breakers, and others, shown on the drawings or as directed by the CIAC representative. • Mechanical and electrical rough-ins, pipings, breakers, switches, wirings, tapping, and other accessories to complete the work • Fabrication, construction, and installation of illuminated CIAC public art or illuminated CIAC information/advertisement signage, and design as shown

	<p>on the drawings or as issued and directed by the CIAC representative.</p> <ul style="list-style-type: none"> • Construction of a PWD ramp (9 units) on each waiting shed, painted and marked with the PWD symbol, design criteria shall follow the global standards and as directed and approved by the CIAC representative. • The contractor shall conduct necessary maintenance and restoration works for any disruption and damage on affected site developments within CAC.
<p>III. Landscaping and Beautification</p>	<ul style="list-style-type: none"> • Improvement and development of open-spaces, and road planting strips. • Site survey and investigation. The contractor shall conduct survey and verification of the location for the development of open spaces and landscaping of road planting strips shown on the plans, and as directed by the end-user. <p>The contractor shall be responsible for connecting the tapping points provided by the utility providers on the project/work site premises, consistent with the latest CIAC Master Development Plan.</p> <ul style="list-style-type: none"> • PWD facilities. Facilities for persons with disabilities such as ramps from the raised platforms, and tactiles/paving, among others, shall be provided as per applicable regulations, and shall be provided and located within the work area or as directed by the end-user. • This item also consists of the following: <ul style="list-style-type: none"> - Inventory of all existing structures, trees, utilities, civil, electrical, and mechanical works, and other appurtenant items to be required for construction within the project area. - Excavation, embankment/fill works, removal, and disposition of unsuitable soil, debris, and materials, including removal (earth-balling) and trimming of trees affected by the work. - Improvement of existing historical landmarks. - Supply, Installation/Construction of Architectural Design Features, Public Art (including earthworks, reinforced concrete foundation, concrete base, columns/poles, supports, accessories, electrical works, and other items to complete the work). - Various Signages (Wayfinders, Information) (including earthworks, reinforced concrete foundation, concrete base, columns/poles, supports, accessories, electrical works, and other items to complete the work) - Landscaping works, including site and soil preparation, garden soil, planting works, and 6-month maintenance which shall start after the issuance of a certificate of completion.

	Bougainvillea, Adelfa, Golden Boxwood, Calachuchi, Yellow Bignonia, Hedge plant, Talisay, Sinamomong Sungsong, Yucca, Crape Jasmine, Gumamela, Bushida, frog grass, Manila Palm, Hawaiian Palm, and other plants as directed and approved by the end-user.

PROJECT SCHEDULE:

ACTIVITY	MONTH				
	1	2	3	4	5
1. Preliminary works, Site survey, Legworks, Regulatory and building permits, Access pass, COA project billboard, and other applicable permits and licenses.					
2. Mobilization, Temporary Facilities					
3. Construction Phase (Supply, Delivery, Installation, Testing, and Commissioning) <ul style="list-style-type: none"> • Iconic gateway markers, public art, illuminated banners, signages, lighting, traffic, and road signages. • CIAC illuminated lamp post banners, lighted signages, solar flood lights, and up lights. • Various illuminated outdoor signages, way finders, road directional, informative, and traffic signages, including removal, refurbishing, and relocation works. • Civil works • Electrical works • BRT-PUJ waiting shed (pick up and drop off points) • Landscaping 					
4. As-built documentation, handover phase, project completion, and de-mobilization					

UTILITY LOCATIONS

A. CLARK ELECTRIC DEVELOPMENT CORP. (CEDC) – ELECTRIC PLAN

B. CLARK WATER CORP. (CWC) – SEWER PLAN

C. CLARK WATER CORP. (CWC) – POTABLE WATER PLAN

DEFINITION OF TERMS

Whenever the following terms are used in these specifications, the intent and meaning shall be interpreted as follows:

- a. ASTM – The American Society for Testing and Materials
- b. Contract – The written agreement covering the work to be performed. The Contract shall include, but is not limited to: The contract Agreement, The Special Conditions of Contract (if any), and The General Conditions of the Contract, Special Conditions, The Employer's Requirement and the Contract Specifications.
- c. Contractor – The party or parties on whose behalf the Bid was submitted including its or their respective permitted assignees and where, the Contractor comprises more than one party and the context so requires, each and every such party
- d. ED Representative/End-user – An Engineer/Architect appointed as a representative of Clark International Airport Corporation to oversee all works set out in the implementation phase of the project.
- e. Equipment – All machines, tools and apparatus necessary for the proper construction and acceptable completion of the work
- f. Laboratory – The official testing laboratories of the Contractor as required
- g. Materials – any substance specified or required for use in the construction of the contract work.
- h. Project – Project shall have the same meaning as "Work" as under the General Terms and Conditions.
- i. Specifications – The meaning as identified in the CIAC's General Requirements.
- j. Work – The furnishing of all labor, materials, tools, equipment, and incidentals necessary to the winning Contractor's performance of all duties and obligations imposed by the Contract.

List of Abbreviations

CIAC – Clark International Airport Corporation
CAC – Clark Aviation Capital
ED – Engineering Department
ASTM – American Society of Testing Materials
ACI – American Concrete Institute
ANSI – American National Standard Institute
NEMA – National Electrical Manufacturer's Association
UL – Under Writer Laboratory

(Please see attachment)

Section VIII. Bill of Quantities

BILL OF QUANTITIES FORM

ITEM NO.	DESCRIPTION	QUANTITY	UNIT	UNIT COST (Php)	AMOUNT (Php)
A.	GENERAL REQUIREMENTS				
A.1	Mobilization/Demobilization	1.00	l.s.		
A.2	Temporary Facilities	1.00	l.s.		
A.3	Permits, Licenses, and Access Pass	1.00	lot		
A.4	Project signboard	1.00	lot		
A.5	Construction Safety and Health (Safety offices, PPE, Traffic Safety signages)	1.00	lot		
A.6	Surveying and Staking Works	1.00	lot		
A.7	As-Built Plans/Drawings	1.00	lot		
	Sub-Total A				
B.	BANNERS, SIGNAGES, AND LIGHTINGS, INCLUDING TRAFFIC & ROAD DIRECTIONAL SIGNAGES				
B.1	Supply and Installation of Lamp Post Banners, Illuminated LED Signage, and Wayfinders				
B.1.1	Supply, Delivery, and Installation of CIAC Lamp Post Banners Two Way Double Illuminated (including brackets, clamps, electrical works, frame, all accessories and works that will complete the item)	56.00	sets		
B.1.2	Supply, Delivery, and Installation of CIAC Lamp Post Banners - Two-way Single illuminated (including earthworks, footing, concrete base, pedestal, supports, 100mm GI pole sch.40, brackets, electrical works, frame, all accessories and works that will complete the item)	30.00	sets		
B.1.3	Supply, Delivery, and Installation of One Way Illuminated LED Signage (including supports, brackets, frame, electrical works, all accessories and works that will complete the item)	10.00	sets		
B.1.4	Supply, Delivery, and Installation of Illuminated Two Way Street Narrow Wayfinders (including earthworks, footing, concrete base, pedestal, supports, pole, brackets, frame, electrical works, all accessories and works that will complete the item)	13.00	sets		
B.1.5	Supply, Delivery, and Installation of Illuminated Two Way Street Wide Wayfinders (including earthworks, footing, concrete base, pedestal, supports, pole, brackets, frame, electrical works, all accessories and works that will complete the item)	12.00	sets		

ITEM NO.	DESCRIPTION	QUANTITY	UNIT	UNIT COST (Php)	AMOUNT (Php)
B.1.6	Supply, Delivery, and Installation of Illuminated, PUV Lighted Ads-Signage Detail "A, B, C, & D" (including earthworks, footing, pedestal, brackets, frame, concrete base, electrical works, all accessories, and works that will complete the item)	1.00	lot		
	- PUV Lighted Ads-Signage Detail A (9-sets)				
	- PUV Lighted Ads-Signage Detail B (9-sets)				
	- PUV Lighted Ads-Signage Detail C (9-sets)				
	- PUV Lighted Ads-Signage Detail D (18-sets)				
B.1.7	Electrical rough-ins, electrical wiring, electrical conduit/piping works, circuit breakers, switches, excavation, concreting works, electrical tapping works, and all other items to complete the works.	1.00	lot		
	- Electrical fixtures (Up-light and other lighting fixtures shown in the plans)				
	- Electrical rough-ins, conduits/pipings, duct bank, concrete encasement				
	- Electrical wirings, circuit breakers, switches, mechanical timer switches, and other items to complete the works.				
B.1.8	- Re-painting of existing street light pole along Gil Puyat Ave., One Clark Ave. (National Food Hub Gateway), and Clark Aviation Capital Roads	125.00	pcs		
Supply and Installation of Various Signages, Traffic, and Road Directional Signages, Wayfinders					
B.2.1	- Removal of Existing Various Signages and Markers (including those to be replaced)	56.00	sets		
	- Removal of Existing CRK Markers along Gil Puyat Ave.	4.00	sets		
B.2.2	Repair/Improvement and Re-location of Existing Various Signages and Markers (including earthworks, footing, pedestal, pole, supports, brackets, frame, all accessories and works that will complete the item)	1.00	lot		
	- Aircraft Park Entrance				
	- Airport City Park Tourist Info				
	- Bus Stop				
	- Crossing Signage				
	- AIR FORCE CITY MARKER "B"				
- I LOVE CAB Bull-up marker "A"					

ITEM NO.	DESCRIPTION	QUANTITY	UNIT	UNIT COST (Php)	AMOUNT (Php)
B.2.3	Existing Various Signages, Wayfinders				
B.2.3a	<p>Refurbished/Improved Existing Various Signages, Wayfinders (including replacement/new stickers, painting of supports, pole, brackets, accessories, and other items to complete the work)</p> <p>Various Directional and Traffic signages</p> <ul style="list-style-type: none"> - First to Stop-First to Go (15-sets) - Stop and Do Not Block Intersection Signage (5-sets) - Bus Stop-Loading and Unloading Zone (10-sets) - Loading and Unloading Zone (10-sets) - Approaching Pedestrian Signage (10-sets) - Diagrammatic Direction Signage (15-sets) - Bike Lane Signage (2-sets) - Bus Stop No Parking Signage-Pedestrian Signage (15-sets) 	1.00	lot		
B.2.3b	<p>Remove and Replace Existing Various Wayfinders (Removal of Existing, Supply and Installed New Wayfinders, including earthworks, reinforced concrete foundation, electrical works, supports, pole, brackets, accessories, and other items to complete the work)</p> <ul style="list-style-type: none"> - Manila, CRK, CFZ, NCC Wayfinder (Fabrication, Delivery, Construction of New Wayfinder Markers, Main Signage Lettering, Outdoor LED Illuminated Signage Lettering including earthworks, footing, concrete base, electrical works, all accessories and works that will complete the item) at Prince Balagtas roundabout - CLARK AVIATION CAPITAL Wayfinder, 45cm height - MANILA, 25cm height - Arrows (Blow-up Detail B) 80cm height - Arrows (Blow-up Detail B), 50cm height - CLARK FREEPORT ZONE Wayfinder, 45cm height - CLARK AVIATION CAPITAL, 25cm height - Arrows (Blow-up Detail B), 80cm height - Arrows (Blow-up Detail B), 50cm height - NEW CLARK CITY, 45cm height - CLARK FREEPORT ZONE, 25cm height - Arrows (Blow-up Detail B), 80cm height 	1.00	lot		

	<ul style="list-style-type: none"> - Arrows (Blow-up Detail B), 50cm height - MANILA Wayfinder, 45cm height - NEW CLARK CITY, 25cm height 				
	<ul style="list-style-type: none"> - Arrows (Blow-up Detail B), 80cm height - Arrows (Blow-up Detail B), 50cm height - CLARK AVIATION CAPITAL Wayfinder, 1000cm height - Replacement of Sticker Arrows (Blow-up Detail C), 1400cm height - CLARK FREEPORT ZONE Wayfinder, 1000cm height - Replacement of Sticker Arrows (Blow-up Detail C), 1400cm height - NEW CLARK CITY Wayfinder, 1000cm height - Replacement of Sticker Arrows (Blow-up Detail C), 1400cm height - MANILA Wayfinder, 1000cm height - Replacement of Sticker Arrows (Blow-up Detail C), 1400cm height 				
B.3	<p>Improvement of BRT-PUJ Waiting Sheds, Pick up and drop off points (9-units)</p> <p>-Demolition and removal works, new roofing and ceiling works, painting, masonry & wall finishes, site and other civil works, mechanical and electrical works (rough-ins, piping/conduits, wirings, PWD ramps, and other items shown on the detailed drawings)</p> <ul style="list-style-type: none"> - Demolition and removal works - Architectural, Wall Finishes (deco stones), Painting works (surface preparation, paint materials, etc.) - New roofing and new ceiling works (with accessories, downspout, gutter, flashing/ridge, cap, etc.) - Electrical, Power, Lighting Works, including fixtures, switches, breakers, and others -Site improvement works, construction of PWD ramp (grading, landscape, arch) appurtenances/public arts) - Mechanical and electrical rough-ins, pipings, wirings, tapping, and other accessories to complete the work 	9.00	units		
	Sub-Total B				

ITEM NO.	DESCRIPTION	QUANTITY	UNIT	UNIT COST (Php)	AMOUNT (Php)
C.	ICONIC GATEWAY MARKERS AND PUBLIC ART				
C.1	- Supply, Delivery, and Installation of Illuminated CLARK AVIATION CAPITAL Iconic Gateway Marker - "A" along National Food Hub Gateway				
C.1.1	Supply, Delivery, and Installation of Illuminated CLARK AVIATION CAPITAL Iconic Gateway Marker - "A" (including earthworks, reinforced concrete footing foundation, concrete base, columns/poles, structural steel frame works, supports, electrical and ICT works, rough-ins, accessories, and other items to complete the work)	1.00	set		
C.1.2	Supply, Delivery, and Installation of Solar Panels (0.5m x 8.0m), Battery (minimum storage capacity 12V, between 700 to 1000 Ah and can provide 12hr power to the illuminated marker), with concrete base and its accessories, weather proof encasement, and other items to complete the work.	1.00	set		
C.1.3	Landscaping works including site and soil preparation, and 6-month maintenance Bougainvillea (12 pcs) Yucca (16 pcs) Golden Boxwood (40 pcs) Frog Grass (34 sq.m.) Garden Soil	1.00	lot		
C.2	- Supply, Delivery, and Installation of Illuminated CLARK AVIATION CAPITAL Iconic Gateway Marker - "B" along Gil Puyat Avenue				
C.2.1	Supply, Delivery, and Installation of Illuminated CLARK AVIATION CAPITAL Iconic Gateway Marker - "B" (including earthworks, reinforced concrete footing foundation, concrete base, columns/poles, structural steel frame works, supports, electrical and ICT works, rough-ins, accessories, and other items to complete the work)	1.00	set		
C.2.2	Supply, Delivery, and Installation of Solar Panels (0.5m x 8.0m), Battery (minimum storage capacity 12V, between 700 to 1000 Ah and can provide 12hr power to the illuminated marker), with concrete base and its accessories, weather proof encasement, and other items to complete the work.	1.00	set

Checklist of Technical and Financial Documents

I. TECHNICAL COMPONENT ENVELOPE	
<i>Class "A" Documents</i>	
<i>Legal Documents</i>	
	<p>(a) Valid PhilGEPS Registration Certificate (Platinum Membership) (all pages) in accordance with Section 8.5.2 of the IRR;</p> <p>(b) Pursuant to the Department of Transportation (DOTr) Department Order, the bidder is required to submit a certification, under oath, certifying that said bidder has no pending case(s) against the government. In case of joint venture or consortium, each partner of the joint venture or consortium shall submit their respective certification, under oath.</p>
<i>Technical Documents</i>	
	(c) Statement of the prospective bidder of all its ongoing government and private contracts, including contracts awarded but not yet started, if any, whether similar or not similar in nature and complexity to the contract to be bid; and
	(d) Statement of the bidder's Single Largest Completed Contract (SLCC) similar to the contract to be bid, except under conditions provided under the rules; and
	(e) Original copy of Bid Security. If in the form of a Surety Bond, submit also a certification issued by the Insurance Commission <u>or</u> original copy of Notarized Bid Securing Declaration; and
	(f) Special PCAB License in case of Joint Ventures and registration for the type and cost of the contract to be bid; and
	(g) Project Requirements, which shall include the following:
	1. Organizational chart for the contract to be bid;
	2. List of contractor's key personnel (e.g., Project Manager, Project Engineers, Materials Engineers, and Foremen), to be assigned to the contract to be bid, with their complete qualification and experience data;
	3. List of contractor's major equipment units, which are owned, leased, and/or under purchase agreements, supported by proof of ownership or certification of availability of equipment from the equipment lessor/vendor for the duration of the project, as the case may be; and
	(h) Original duly signed Omnibus Sworn Statement (OSS) and if applicable, Original Notarized Secretary's Certificate in case of a corporation, partnership, or cooperative; or Original Special Power of Attorney of all members of the joint venture giving full power and authority to its officer to sign the OSS and do acts to represent the Bidder.
<i>Financial Documents</i>	
	(i) The prospective bidder's computation of Net Financial Contracting Capacity (NFCC).

<i>Class "B" Documents</i>	
	(j) If applicable, duly signed joint venture agreement (JVA) in accordance with RA No. 4566 and its IRR in case the joint venture is already in existence or duly notarized statements from all the potential joint venture partners stating that they will enter into and abide by the provisions of the JVA in the instance that the bid is successful.
II. FINANCIAL COMPONENT ENVELOPE	
	k) Original of duly signed and accomplished Financial Bid Form; and
<i>Other documentary requirements under RA No. 9184</i>	
	l) Original of duly signed Bid Prices in the Bill of Quantities; and
	m) Duly accomplished Detailed Estimates Form, including a summary sheet indicating the unit prices of construction materials, labor rates, and equipment rentals used in coming up with the Bid; and
	n) Cash Flow by Quarter.

**Contract Agreement Form for the
Procurement of Infrastructure Projects (Revised)**
*[not required to be submitted with the Bid, but it shall be submitted within ten
(10) days after receiving the Notice of Award]*

CONTRACT AGREEMENT

THIS AGREEMENT, made this *[insert date]* day of *[insert month]*, *[insert year]* between *[name and address of PROCURING ENTITY]* (hereinafter called the "Entity") and *[name and address of Contractor]* (hereinafter called the "Contractor").

WHEREAS, the Entity is desirous that the Contractor execute *[name and identification number of contract]* (hereinafter called "the Works") and the Entity has accepted the Bid for *[contract price in words and figures in specified currency]* by the Contractor for the execution and completion of such Works and the remedying of any defects therein.

NOW THIS AGREEMENT WITNESSETH AS FOLLOWS:

1. In this Agreement, words and expressions shall have the same meanings as are respectively assigned to them in the Conditions of Contract hereinafter referred to.
2. The following documents as required by the 2016 revised Implementing Rules and Regulations of Republic Act No. 9184 shall be deemed to form and be read and construed as part of this Agreement, viz.:
 - a. Philippine Bidding Documents (PBDs);
 - i. Drawings/Plans;
 - ii. Specifications;
 - iii. Bill of Quantities;
 - iv. General and Special Conditions of Contract;
 - v. Supplemental or Bid Bulletins, if any;
 - b. Winning bidder's bid, including the Eligibility requirements, Technical and Financial Proposals, and all other documents or statements submitted;
Bid form, including all the documents/statements contained in the Bidder's bidding envelopes, as annexes, and all other documents submitted (e.g., Bidder's response to request for clarifications on the bid), including corrections to the bid, if any, resulting from the Procuring Entity's bid evaluation;
 - c. Performance Security;
 - d. Notice of Award of Contract and the Bidder's conforme thereto; and
 - e. Other contract documents that may be required by existing laws and/or the Procuring Entity concerned in the PBDs. **Winning bidder agrees that additional contract documents or information prescribed by the GPPB that are subsequently required for submission after the contract execution, such as the Notice to Proceed, Variation Orders, and Warranty Security, shall likewise form part of the Contract.**
3. In consideration for the sum of *[total contract price in words and figures]* or such other sums as may be ascertained, *[Named of the bidder]* agrees to *[state the object of the contract]* in accordance with his/her/its Bid.

4. The *[Name of the procuring entity]* agrees to pay the above-mentioned sum in accordance with the terms of the Bidding.
5. Pursuant to the Department of Transportation Department Memorandum, a slippage of more than thirty (30) days shall result in non-payment, cancellation of the contract, blacklisting of the Contractor and the engagement of another Contractor to finish the project.

IN WITNESS whereof the parties thereto have caused this Agreement to be executed the day and year first before written.

AFFIDAVIT

I, [Name of Affiant], of legal age, [Civil Status], [Nationality], and residing at [Address of Affiant], after having been duly sworn in accordance with law, do hereby depose and state that:

1. *[Select one, delete the other:]*

[If a sole proprietorship:] I am the sole proprietor or authorized representative of [Name of Bidder] with office address at [address of Bidder];

[If a partnership, corporation, cooperative, or joint venture:] I am the duly authorized and designated representative of [Name of Bidder] with office address at [address of Bidder];

2. *[Select one, delete the other:]*

[If a sole proprietorship:] As the owner and sole proprietor, or authorized representative of [Name of Bidder], I have full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for [Name of the Project] of the [Name of the Procuring Entity], as shown in the attached duly notarized Special Power of Attorney;

[If a partnership, corporation, cooperative, or joint venture:] I am granted full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for [Name of the Project] of the [Name of the Procuring Entity], as shown in the attached [state title of attached document showing proof of authorization (e.g., duly notarized Secretary's Certificate, Board/Partnership Resolution, or Special Power of Attorney, whichever is applicable)];

3. [Name of Bidder] is not "blacklisted" or barred from bidding by the Government of the Philippines or any of its agencies, offices, corporations, or Local Government Units, foreign government/foreign or international financing institution whose blacklisting rules have been recognized by the Government Procurement Policy Board, **by itself or by relation, membership, association, affiliation, or controlling interest with another blacklisted person or entity as defined and provided for in the Uniform Guidelines on Blacklisting;**

4. Each of the documents submitted in satisfaction of the bidding requirements is an authentic copy of the original, complete, and all statements and information provided therein are true and correct;

5. [Name of Bidder] is authorizing the Head of the Procuring Entity or its duly authorized representative(s) to verify all the documents submitted;

6. *[Select one, delete the rest:]*

[If a sole proprietorship:] The owner or sole proprietor is not related to the Head of the Procuring Entity, members of the Special Bids and Awards Committee (SBAC), the

Technical Working Group, and the SBAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

[If a partnership or cooperative:] None of the officers and members of *[Name of Bidder]* is related to the Head of the Procuring Entity, members of the Special Bids and Awards Committee (SBAC), the Technical Working Group, and the SBAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

[If a corporation or joint venture:] None of the officers, directors, and controlling stockholders of *[Name of Bidder]* is related to the Head of the Procuring Entity, members of the Special Bids and Awards Committee (SBAC), the Technical Working Group, and the SBAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

7. *[Name of Bidder]* complies with existing labor laws and standards; and
8. *[Name of Bidder]* is aware of and has undertaken the responsibilities as a Bidder in compliance with the Philippine Bidding Documents, which includes:
 - a. Carefully examining all of the Bidding Documents;
 - b. Acknowledging all conditions, local or otherwise, affecting the implementation of the Contract;
 - c. Making an estimate of the facilities available and needed for the contract to be bid, if any; and
 - d. Inquiring or securing Supplemental/Bid Bulletin(s) issued for the *[Name of the Project]*.
9. *[Name of Bidder]* did not give or pay directly or indirectly, any commission, amount, fee, or any form of consideration, pecuniary or otherwise, to any person or official, personnel or representative of the government in relation to any procurement project or activity.

10. In case advance payment was made or given, failure to perform or deliver any of the obligations and undertakings in the contract shall be sufficient grounds to constitute criminal liability for Swindling (Estafa) or the commission of fraud with unfaithfulness or abuse of confidence through misappropriating or converting any payment received by a person or entity under an obligation involving the duty to deliver certain goods or services, to the prejudice of the public and the government of the Philippines pursuant to Article 315 of Act No. 3815 s. 1930, as amended, or the Revised Penal Code.

IN WITNESS WHEREOF, I have hereunto set my hand this ___ day of ___, 20__ at _____, Philippines.

BID SECURING DECLARATION

Project Identification No.: _____

To: *[Insert name and address of the Procuring Entity]*

I/We, the undersigned, declare that:

1. I/We understand that, according to your conditions, bids must be supported by a Bid Security, which may be in the form of a Bid Securing Declaration.
2. I/We accept that: (a) I/we will be automatically disqualified from bidding for any procurement contract with any procuring entity for a period of two (2) years upon receipt of your Blacklisting Order; and, (b) I/we will pay the applicable fine provided under Section 6 of the Guidelines on the Use of Bid Securing Declaration, within fifteen (15) days from receipt of the written demand by the procuring entity for the commission of acts resulting to the enforcement of the bid securing declaration under Sections 23.1(b), 34.2, 40.1 and 69.1, except 69.1(f), of the IRR of RA No. 9184; without prejudice to other legal action the government may undertake.
3. I/We understand that this Bid Securing Declaration shall cease to be valid on the following circumstances:
 - a. Upon expiration of the bid validity period, or any extension thereof pursuant to your request;
 - b. I am/we are declared ineligible or post-disqualified upon receipt of your notice to such effect, and (i) I/we failed to timely file a request for reconsideration or (ii) I/we filed a waiver to avail of said right; and
 - c. I am/we are declared the bidder with the Lowest Calculated Responsive Bid, and I/we have furnished the performance security and signed the Contract.

I/We have hereunto set my/our hand/s this ____ day of [month] [year] at [place of execution].
