PENALTY

The winning bidder/supplier must complete the delivery or performance as per the agreed Work Plan. If they fail to deliver on time or only partially complete the work, CIAC will impose a Delay Penalty of 0.1% of the cost of the undelivered portion per day of delay until completion. This penalty applies if the final acceptance date is missed. For delays due to unavoidable circumstances (e.g., natural disasters), the bidder/supplier must submit a report detailing the delay, impacted deliverables, and a catch-up plan for CIAC's approval.
